Re: Practice Information Questionnaire

Dear Valued Client:

Thank you for your continued business relationship with AHCS/AFP. In an effort to maintain appropriate records and information as required by the DEA, AHCS/Quality Care Products, Inc. (QCP) is requesting the attached questionnaire to be completed and signed by the practice. AHCS/AFP will also be placing the questionnaire on our web portal for easy access and completion. Over the past twelve months the DEA has required that all re-packagers and wholesalers/distributors perform more due diligence of all customers (pharmacies and physician practices) purchasing narcotics. This measure is to help protect the general public from the diversion of narcotics.

All questionnaires are to be placed in your confidential file at AHCS/AFP and QCP headquarters and will not be shared with any other entity or individual. We will have our Customer Service Representative assist you in completing the questionnaire.

If you have any questions or need further clarification of the purpose of the questionnaire, please contact me at your earliest convenience. We appreciate your time and effort regarding this request.

Thanks,
